

## DIVIDING THE EMPIRE

During WWI, the Ottoman Empire is weakened and overthrown.

The League of Nations divides the Empire to be under European rule.

1920

1933

## JEWISH EXODUS

As Nazi's become increasingly extremist, Jewish immigration rockets.

1936

## BRITISH MANDATE

Nazi's rise to power in Germany and gradually become more extremist.

Mass Jewish immigration to Palestine leads to the creation of a British Mandate (facilitating the increasingly desperate immigration of Jews).

Population of Jews in Germany
