

THE ISRAEL AND PALESTINIAN CONFLICT

A brief timeline of some important events from the Israel-Palestinian conflict.

WORLD WAR I

Defense alliances, imperialism in Africa, and Archduke Franz Ferdinand's assassination leads to the start of the first World War.

Turmoil leads to an ignorance of the Middle East.

END OF AN EMPIRE

- Conflicts in Israel start as Jews are displaced.

- Hussein-McMahon letters encourage Arab uprisings.
- Arabs revolt and (with European help) overthrow the Ottoman Empire.
