## ONGOING CONFLICT

Arabs refused to acknowledge the State of Israel and imposed economic boycotts.

Daily trespassing of Arabs into Israel, the occasional murder, and subsequent retaliations lead to the start of a second Arab-Israeli war.

## TRUMP ADMINISTRATION

Trump administration announced a major reversal of the US' longstanding policy on Israeli settlements.

Their rejection of the 1978 State Department legal opinion that the settlements were "inconsistent with international law" was swiftly repudiated by the EU who reflect on a US willingness to "give the finger to international law."

Infographic created by Nicholas Chiang as part of Mr. Miller's stellar Contemporary World History class.
